Full Job Description

We are a brand new Public Charter school* opening for the 2021/2022 school year, with a philosophy and vision much different from the traditional schools throughout the state!

New Leaf Prep Academy's Curriculum will focus on the whole child through highly researched, hands on teaching philosophies and techniques, mainly the Montessori Method. Hands-on learning is a proven way to keep students more engaged and increase retention. New Leaf Prep Academy will be curating

critical thinkers, problem solvers, & self-motivated learners. Our curriculum will help students to make sense of the world around them without gaining skills at the expense of actual knowledge. Our holistic approach to learning examines all avenues that will affect lifelong student success including each child's academic skills, such as math and literacy skills, but also their social, emotional and cognitive skills. A minimalist environment free of technological distractions will aid in calming their mind and body and enable them to focus on the lessons and material at hand.

New Leaf Prep Academy will feature low teacher to child ratios maxing out at 1:15 so students can safely learn through trial and error. Sensory-based and self-directed learning through nature exploration is a major component of our programming in addition to learning practical life skills such as tying shoes and caring for one's environment.

We are searching for Passionate educators to join us on this revolutionary and exciting journey! Teachers are responsible for teaching their two core subjects as well as 1-2 elective courses. Teachers will be equipped with traditional Montessori materials, Montessori Curriculum and Progress Report Software to aid them within the classroom and ensure material is meeting all state teaching standards. Teachers will be required to help guide students on their educational journey through progress reporting, lesson planning, small group instruction, and one on one instruction while maintaining a clean and purposeful environment. Teachers will be responsible for ensuring that all students are being challenged individually and are meeting and exceeding all state required testing standards.

Benefits Include:

Paid Holidays
Paid Vacation
Health Benefits
Retirement IRA: 3% employer matched
Education Opportunities

If you are looking to shape the future and inspire many creative minds to think outside of the box this is your opportunity!

*Pending Charter School Contract Approval.
Will operate as a Private School if contract is not finalized
