

# ADVENTURE AWAITS

## A TUITION-FREE Mini-Camp Experience

JULY 8TH - AUGUST 2ND  
8:00AM-12:30PM  
CAMP BASE: NEW LEAF PREP ACADEMY

Camp New Leaf is proud to announce "Adventure Awaits" our new tuition-free mini-camp running from July 8th-August 2nd! We will spend 4-weeks immersed in nature with our campers as we explore four units! Adventure Awaits Mini-Camp is open to all students enrolled for the 2024/2025 school year in 1st Grade- 6th Grade. Adventure Awaits features field trips and special nature exploration activities to build on your child's agility and survival skills! Your child will also be busy helping to grow, harvest & prepare their own food as well as other activities cohesive with survival, homesteading, & practical life including archery, a low ropes course and onsite chicken hatching! Please join us as we explore the following four units alongside licensed-teacher camp counselors:

### **SURVIVOR**

Students will learn the basics for survival including how to build a fire, pitch a tent, shoot a bow and arrow, use a compass to navigate and identify edible and poisonous foliage and animal species.

### **HOW IT'S MADE**

Campers will experience what goes into making different items! This is a great opportunity for parents or the community to come in and demonstrate the creation of all types of items.

### **FAIRYTALES**

Campers will read and work to compose their very own fictional fairytale utilizing nature as their inspiration. They will also create fairytale inspired artwork to bring their piece of writing to life! A Magician will join us at camp this week to get creative writing ideas flowing!

### **CREEPING CREATURES**

Campers will learn all about insect classification, myths and helpful insects and animals as they get up close and personal with creepy crawlies. Campers will enjoy a touch and feel experience with live exotic animals.

Campers are required to bring their own snack following our nutrition guidelines. Snacks must contain a fruit or vegetable component and may not appear as a dessert type item.
